

# Potential Billing Codes

BILLING CODE	USE	NOTES
<b>Problem-Oriented:</b> The patient has a set of symptoms or complaints that require evaluation.		
CPT codes <b>99201 - 99215</b>	Evaluation and Management (E/M) Services	Use these codes for problem-oriented visits where contraceptive counseling may have been a component of the counseling but not the main purpose of the encounter  Distinct problem-oriented E/M services may be reported at the same encounter using modifier -25
<b>Counseling:</b> The patient requests advice to promote health or prevent illness or injury (contraceptive counseling)		
CPT codes <b>99401 - 99404</b>	Individual counseling and/or risk factor reduction (15, 30, 45, or 60 minutes)	Use when contraceptive counseling is the ONLY purpose of the visit and at least 15 minutes are spent counseling  All counseling codes are time-based and separate procedures (must use a modifier when coding with another service)
<b>Behavior Change Interventions:</b> The patient has a behavior that may be considered an illness itself (smoking, substance abuse)		
CPT codes <b>99401-99412</b>	Individual behavioral counseling	Use for patients who already have a behavior often considered an illness, such as substance use disorder
<b>Preventive Medicine:</b> The patient is coming in for their annual “well” visit (may include counseling and behavior change interventions)		
<b>USER NOTICE:</b> Other services cannot be reported on same day as preventive medicine services (counseling and behavior change interventions are included within the comprehensive preventive medicine codes)		
CPT codes <b>99381-99386</b>	New Patient Comprehensive Preventive Visits (include contraceptive counseling when performed)	
CPT codes <b>99391-99396</b>	Established Patient Comprehensive Preventive Visits	

Billing Code	Use	Notes
CPT code <b>96127</b>	To report behavioral assessments in children, adolescents, and adults	Brief emotional/behavioral assessment with scoring and documentation, per standardized instrument.
CPT code <b>90832</b>	Individual patient psychotherapy	For MH visits that run between 16 and 30 mins
CPT codes <b>99201 - 99215</b>	Evaluation and Management (E/M) Services	Use for outpatient EM services for new patient
CPT code <b>G2012</b>	For virtual check in or brief patient initiative visit	

**NOTE:** This list is reflective of common codes, may not be exhaustive of all possible codes, and is subject to change. Organizations should use this list as a starting point, but it is their responsibility to ensure they use correct and applicable codes.
